

City Life Church Luton - November 2009

Sunday 1st	The Call	Old Shop	7:30pm - 9:00pm
The Call is our gathering that looks at what it is to follow Jesus, now that he is no longer bodily present. Expect lots of coffee, a engaging presentation about some aspect of discipleship in our church community, and an exercise designed to really help you engage with the message and the material.			
Tuesday 3rd	Transforming Luton Prayer	St Hugh's Church	7:45pm - 9:30pm
This time our evening will be a little different: we will have extended times of worship and time for listening as usual – but then we will have different prayer stations around the church for sharing and prayer for ministry to different groups of people in Luton. There will also be space around the cross for undirected prayer as the Spirit leads.			
Sunday 8th	Unexpected	Old Shop	7:30pm - 9:00pm
Unexpected is our gathering exploring the phenomenon of an active and engaged God. We believe that from time to time, when we give him the opportunity, he does the unexpected. Expect an immersive experience, clearly led, usually with a combination of prayer, worship and an emphasis on healing.			
Sunday 15th	Filmstock Sunday - Filmstock 11 is drawing to a close. So we are encouraging all to come down to Filmstock on the final day; come along to watch some films and catch up together. - <i>Hat Factory</i>
